Re: Extension of time Fee for 23-2053
Patent Application No. 09/980516
Our Docket No. GGD-31611-PCTUS

Dear Sir or Madam:

Attached is a copy of our Deposit Account Statement for the month of March 2006. Please note that on March 6, 2006, we filed a one-month Extension of Time for the above-referenced application and our deposit account was debited \$120.00 on March 7, 2006. The Extension of Time was for a small entity, not a large entity as submitted on the electronic patent application fee transmittal form. Therefore, the amount deducted from our deposit account should have been \$60.00 not \$120.00.

Please review your records and apply the overpayment of \$60.00 to our Deposit Account at your earliest possible convenience.

If you have any questions, please feel free to contact me. Thank you.

Very truly yours,

Patricia R. Rickun

I just thought I'd get a head start on the deposit account this month and this is my first run through it—just to give you a head start if you are still working on some of the disbursements. Thanks for your help!
